

出張レッスン・Off-site Lessons

日本語教師が大使館へ出向く出張レッスンも承ります。通学するのが難しい方、お忙しい方にも対応致します。

これまでも20カ国以上の大使館で日本語語学研修を行いました。グループレッスン、プライベートレッスン共に可能です。

We provide off-site lessons where we send teachers to your location (in Tokyo), whether that's in an office or home setting. Our teacher will coordinate the lesson plans according to the student's goals so that the lesson becomes highly practical.

So far we have worked with over 20 embassies across Tokyo and done many group and private lessons.
